Town to Close Route 2 Eastbound Exit 5 On Tuesday, September 13 **Intersection Closed for Street Work – Motorists Should Use Exit 5A**

(September 7, 2016) **East Hartford, CT** – On Tuesday, September 13, 2016, the Eastbound Exit 5 off Route 2 will be closed during the day to accommodate milling work on the intersection. Exit 5 services the area of Willow St., including Pratt & Whitney and CocaCola. Traffic will be diverted to Exit 5A and follow a northward detour on Main St.

Affected motorists can consult the closure map (see attached) for more information and detour guidance. The exit will be closed again in October so the intersection can be paved. This work is part of the East Hartford Multi-use trail project connecting Riverside Drive and the Charter Oak Greenway.
